Topic- Motivational Workshop for the Commerce students of grades XI and XII
Resource Person: Dr. P.S. Rathore

Self-efficacy is focused on current beliefs about the future; while self-confidence is also concerned with beliefs about the future, there is a definite link to the past—after all, our self-confidence is built on our past experiences. Motivational Workshop for the Commerce students of grades XI and XII , was conducted at Bosco Public School, Paschim Vihar on 28 July , 2022.Resource person – Dr. P.S. Rathore was given a sapling welcome by the school director – Mr. Sahil Duggal. The event was also graced by the presence of sagacious Principal Sir – Rajiv Duggal and dynamic Vice Principal – Ms. Priya Handa.

Mr. Rathore enlightened the students that every thought and decision one makes, has an intention behind it. It can help highlight the things one wants, which can truly enhance the quality of life.
