

## Capacity Building Programme on Storytelling as a Pedagogy at Bosco

Bosco Public School , Paschim Vihar hosted a Capacity Building Programme centered on 'Storytelling as a Pedagogy' on June 29,2024. This initiative aimed to enhance teaching methodologies through the art of storytelling. Esteemed educators Mrs. Aruna Sivaraj and Mrs. Rajni Mahajan led the workshop, sharing their expertise with the attending teachers.

The event commenced with a warm welcome from Ms. Priya Handa, the percipient School Vice Principal, who honoured Mrs. Aruna Sivaraj and Mrs. Rajni Mahajan with saplings, symbolizing growth and learning. Throughout the session, the resource persons emphasized the importance of integrating storytelling into classroom instruction to boost student engagement and comprehension. They provided practical techniques and case studies illustrating successful implementation across various subjects and age groups.

Interactive session encouraged teachers to actively participate in learning and discussing storytelling methodologies. Groups of teachers also enacted famous stories, transforming learning into a dynamic and creative experience.

Additionally, the workshop delved into the intricacies of story writing, enhancing teachers' abilities to craft compelling narratives.

Following the enriching session on storytelling as a pedagogical tool, an interactive quiz was conducted using Kahoot.The competitive yet fun atmosphere of Kahoot encouraged lively participation and spirited discussions among the educators.

As a culminating activity teachers engaged in a collaborative effort to develop department-wise lesson plans integrating storytelling.

All the teachers enthusiastically brainstormed and crafted innovative lesson plans that incorporated narrative elements.The activity allowed teachers to apply the practical techniques and insights shared during the workshop, tailoring storytelling methods to suit the specific requirements of their subjects. By integrating storytelling into their teaching strategies, educators aimed to create more dynamic and impactful learning experiences for their students.

Vice Principal madam extended a heartfelt vote of thanks, expressing sincere appreciation for the enthusiasm and zest demonstrated by the esteemed resource person . She emphasized how their insights and dynamic approach to storytelling will undoubtedly enrich teaching practices at Bosco.

The programme concluded with teachers feeling inspired and equipped to apply innovative teaching methods in their classrooms, thereby reinforcing Bosco's commitment to delivering high-quality education. Overall, the workshop was met with enthusiasm and appreciation from the teachers, reflecting its success in fostering professional development and educational enhancement.
